BCB HOMES

**save the manatees**

**Save the Manatee Club**, a nonprofit manatee conservation organization, has just launched a new series of public service announcements. The ads aim to educate the boating public that speedboat collisions and propeller maiming are the major cause of manatee deaths.

**nickname becomes official**

Most of us are usually relieved when our nicknames disappear; however, **Boran Craig Barber Homes** is making an exception. Clients have been referring to the homebuilding company as “**BCB Homes**” for years. President Joe Smallwood adopted the name just in time for the company’s relocation to 3696 Enterprise Avenue in Naples.

**philharmonic phi**

The **Naples Philharmonic** has two things to celebrate: its 50th anniversary and \$42 million in endowment. The NPO kicked off the anniversary celebration at the Philharmonic Center for the Arts, where it announced that \$32 million in new orchestra endowment, and \$10 million will be used to support the Naples Philharmonic.
