Naples Newest Waterfront Development is Complete!

BCB Homes has just completed Naples newest single family home community that will take advantage of all of the exquisite amenities Naples has to offer. Naples Casamore is a private, tropical, hideaway Caribbean style development on Gulf Shore Boulevard. Naples Casamore consists of twelve single home villas just steps from the beautiful, white sand Gulf beaches and with sweeping views of Hurricane Harbor.

Naples Casamore has been architecturally designed for this charming location by Stofft Cooney Architects, a Naples based architectural firm well known for designing high-end custom homes. The beautiful architecture of the single family villas provides heart stopping views of the cobalt blue Gulf of Mexico, while being conveniently located in the heart of Naples. Each home boasts 6,500 to more than 8,000 square feet, on a private site of casual style living with lush, tropical landscaping and individual custom pools.

"Caribbean architectural details enhance the timeless aura of oasis living," says John Cooney. "Smooth, white stucco, ebony stained cypress and classical iron gates, and island slate-style roofs, will exude old world living at Naples Casamore."

BCB Homes only began construction on the project in June, 2010 and the project will commence in May, 2011...less than one year later! BCB Homes integrated green aspects into the homes with energy efficient air conditioning, spray foam insulation, all concrete block construction, and energy efficient impact glass throughout.

"We are thrilled to be a part of such a cutting-edge and wonderful project in Naples," says Joe Smallwood, President/CEO of BCB Homes. "In the twenty years I have been building in Southwest Florida, I have not seen such a well thought out community in a more perfect location."

There are two furnished models and one designer-ready model at Naples Casamore. The interior design firms who were selected for the models are Collins & DuPont Interior Design of Bonita Springs, and Godfrey Design Consultants out of Winter Park, Florida.

The Casa Bella Vita model is now complete and open for showings. Collins & DuPont created this luxurious transitional design by using soft neutrals of sand and taupe, blended with ocean blues, sea greens and warm whites. The sophisticated look for easy living and entertaining includes soft palettes and accents of off-whites and rich browns. The designers for the Casa Bella Vita have also chosen clean, modern furniture, with some interesting angles for a stunning visual effect. Driftwood toned wood floors are throughout the main living areas, and marble provides an elegant touch to his and hers master baths.

The model home by Godfrey Design Consultants will be completed and furnished by June 1, 2011. This home has been designed to give a contemporary, clean and most importantly, comfortable feel by using white backgrounds, fresh spring accent colors and beautiful wood tones to warm all of the spaces. Details that delight, and custom features in this home, are just a part of the well articulated spaces designed by Betsy & Lauri Godfrey. The entire home is also very spacious and has great views of Hurricane Harbor, with generous spaces for entertaining.

BCB Homes in the St. Patrick's Day Parade!

BCB Homes participated in the 2011 Naples St. Patrick's Day Parade on March 12th! Over 14 children and 12 employees came out for the beautiful day and to support the City of Naples! This year's parade drew a crowd of several thousand people and there were over 120 participants in the parade itself! BCB Homes handed out over 1500 "green" grocery totes and candy to the adults and children! We look forward to participating again next year!

Naples Casamore Grand Opening Events

On Thursday, March 31st and Friday, April 1st, Naples Casamore held Grand Opening events at Naples Casamore. Collins & DuPont's model was open to preview as were six of the twelve buildings. Both evenings were well attended by VIP Guests and Realtors and the model was well received by everyone in attendance. A special thanks also goes to The Westye Group and Chef Will for the delicious food on Friday night! Feel free to visit the two models and see the completion of the project! Stop by Naples Casamore today - 1736 Gulf Shore Boulevard N.

BCB Homes Partners with Christmas in Naples

BCB Homes has joined forces with Christmas in Naples to help a family in need renovate their home! Formed in 2009, Christmas in Naples is a non-profit corporation that was established to rehabilitate the residences of low-income homeowners in Naples. It was created specifically to help the elderly, disabled, veterans and families with children.

The family chosen for this particular project is Anita Beal's family. Mrs. Beal recently lost her husband to severe chronic obstructive pulmonary disease. She now lives in a home that is in dire need of repairs to the bathroom, kitchen, bedrooms and exterior. The home is unlivable as it is today and needs our help!

BCB Homes Remodel Project Completed!

BCB Homes recently completed this beautiful renovation in Bay Colony Shores. We worked with the home owners, Herscoe Hajjar Architects and Judith Liegeios Interior Design to design and build a new study, master bathroom and closet; update the flooring and paint colors and create a new entryway. The home is stunning and much more livable!
