Home For Sale - 1076 Nelson's Walk

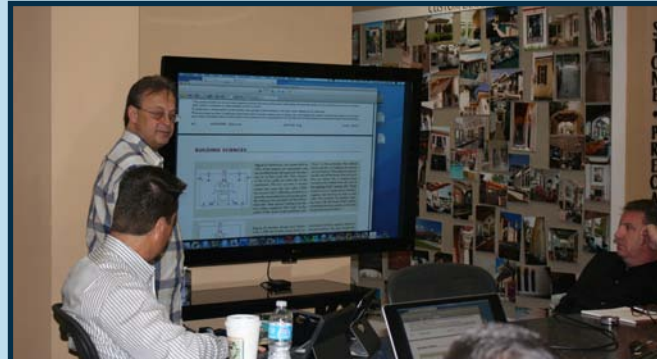

BCB Homes has just begun construction on a new home in Port Royal that will be completed in 2014. The home boasts over 7,200 square feet and has 6 bedrooms and 8 bathrooms. The home has been titled "The Captain's Reserve" because it is ideal for a boater while still capturing sought after unobstructed, wide-water views as well as Southern exposure. Harrell & Co. Architects designed the luxurious estate home with its separate guest house and resort-style pool. The interior design and furnishings are being selected by Godfrey Design Consultants.

The overall look and feel for the home is going to have beautiful spaces that maintain a comfortable elegance and is inviting as well as a great place to come to relax. The fabric colors chosen are of sterling, pewter, and platinum tied with soft blues and greens. The flooring will be light wood floors throughout the main living areas, but transitioning to a soft, natural limestone throughout the less formal areas. These natural colors will keep the home light and bright.

For more information about this home, please contact Tim Savage with Gulf Coast International Properties at (239) 821-7576. The home is listed for \$15,900,000 furnished. It is a direct Port Royal membership eligible property.

Dr. Lstiburek has over thirty years of experience in design, construction, investigation, and building science research and BCB Homes is proud to work with him on a continual basis to investigate and improve the homes BCB Homes builds in Southwest Florida. We work with Dr. Lstiburek to ensure we are building the highest performance buildings possible for our environment and invite him to Naples to visit our jobsites to help us improve and teach us new techniques or tell us about new products. He was most recently visiting Naples to teach us about energy efficiency codes, the new ASHRAE standard for ventilation, the technology and chemistry behind quality paint, and knowing what to look for in quality in spray foam insulation and how to spot a poor installation.
